

EYG Services, Inc
Art & Science of Gardening Solutions

(847) 909-2222

At EYG we are committed to creating and maintaining unique gardens and outdoor living spaces in concert with environmentally friendly practices.

OUR MISSION

- Reduce organic waste disposal with recommended composting solutions.
- Add beauty to your landscape with addition of native plants.
- Preserve precious water resources by installing practical and esthetic rain water reservoirs.

DESIGN

From start to finish, our goal is to provide reliable, creative and efficient design solutions for your outdoor living spaces

INSTALL/BUILD

We take pride in using only premium quality products and locally grown plant materials

MAINTENANCE

We provide expert maintenance services to assure your outdoor areas flourish for many years of enjoyment

*“He that plants trees
loves
others beside himself”
~Thomas Fuller*
